

How to add HMS to a Template

- Open your existing template
 - Search your form library for Real Estate One, Max Broock, or Johnstone & Johnstone
 - Add the HMS enrollment application to your template
 - Save the template for future use
-

What zipForm users need to do

- Add the enrollment application to each transaction directly from your form library, or include it in your templates
 - Make sure your seller or buyer **customer signs and accepts or declines** the warranty coverage
 - Email the accepted applications to HMS at enroll@hmsnational.com. You will receive your confirmation invoice via email
-
